## New Home Treatment for Banishing Hairs

(Beauty Topics.)  
With the aid of a delatone paste, it is an easy matter for any woman to remove every trace of hair or fuzz from face, neck and arms. Enough of the powdered delatone and water is mixed into a thick paste and spread on the hairy surface for about 2 minutes, then rubbed off and the skin washed. This completely removes the hair, but to avoid disappointment, get the delatone in an original package—Adv.

Special Purchase and Sale of 3,300 Jap Silk and Crepe de Chine Handkerchiefs

At 10c

19c to 25c Values

At 15c

All 25c Values

A special sale of handkerchiefs that are all the rage at the present time. Ask any woman who knows and she will tell you of the vogue for Japanese silk and crepe de chine handkerchiefs. The weaving was done in Japan on hand looms, and the pieces bought by an American manufacturer and made up into handkerchiefs. We secured the surplus lot to sell at a little more than regular price because of our large business dealings with this maker of silk handkerchiefs.

15c Each for 25c Crepe de Chine Handkerchiefs

Assortment consists of 125 dozen soft, lustrous kerchiefs in dozens and dozens of different patterns for women. There are floral designs galore, also plain solid colors; then there are plain white centers with an assortment of narrow colored borders. Plenty of striped and printed designs. Bought direct from the importer.

10c Each for 19c and 25c Jap Silk Handkerchiefs

Habotai in Japanese signifies "soft as down" and these 150 dozen fine Jap handkerchiefs fill the description. Assortment consists of at least one hundred different patterns, including printed floral designs, plain colorings and fancy centers.

Handkerchief Sale, East Aisle, Front, First Floor. No Phone Orders.

## Wider and Better Fur Trimmings

Padded and Taped

Fur trimmings are on the crest of fashion. We anticipated this months ago because we study fashions. Even before many others gave any thought to the matter, the Scott-Halliburton Company's furrier in New York not only knew the style tendencies, but bought JUST THE FURS that are now well defined as the leaders. That's why we have wider furs and better furs. The last express brought a wonderful assortment of pelts.
